Dear Sale,

I gave you a lot of bad information in my letter from London. Almet is right I promised to pay him \$200⁰⁰ a month beginning June 15th 1989, and I paid him that. Then he got 500,000 T.L. in June from Almet Ramazanoglu that was to help pay for an operation that he did not have. I wanted 1/2 of that toward the money due him August 15th which should have been \$287⁰⁰. I gave him \$350⁰⁰ so I over paid by \$63⁰⁰. I thought I'd also paid through Oct 15th 4 American Express Checks for \$100⁰⁰ each ~~plus one for \$500⁰⁰~~. I've checked my records and that is true I next owe him for Dec 15th and will send \$400⁰⁰ then, but as of now he's been paid \$63⁰⁰ more than I owe him. I said I would buy him a suit for work but was not going to pay for a hideous leather jacket he wore in to show us. He can give you a bill to pay for me for a proper suit. I don't think he understands that he is paid up to December 15th but my records show he is.

It was lovely to talk to you the other day and have you tell me I was alright on the T.V. I just hope all the Public Relations work we did together will help you in the future. Everyone here is pleased that the work has gone so well on the Temple this year. I really begin to feel we may finish it before too long.

It is lovely to be home and the weather is beautiful. My children are around a lot to see me and I'll have the whole family here this month for Thanks giving. I just hope it's as nice in Istanbul.

My friends Harry and Francoise Ellis will mail this in Istanbul as they are coming over this week to see their son in Bekk & daughter in Iskenderun. If they have time and you do I hope you will meet. I'm hoping for some new photos of the Temple as it is now when Zeynep has time.

Love Jean
