Much love and many telepathic messages  
 from your very delinquent but devoted  
 friends. Have messages from you via  
 Ergusoy and others, for which we were  
 very hungry. We missed you sorely tonight.

Dear Suha and Teza:

~~Sara~~ Sarah proposed at our party that we jointly write you  
 a letter. Here it is. It is not very neat, nor can it carry the  
 warm affection that we all have for you. But it is certainly  
 adequate testimony to the fact that so many of us are thinking of  
 you often. Best regards Tranh
