Miss Eveline A. Thomson was graduated with honor from the American College for Girls at Constantinople in June, 1909. Miss Thomson throughout her course in the College was an earnest and thoughtful student with high rank in her classes. She is a young woman of earnest, upright character with enthusiasm for high ideals.

She was unanimously elected by the student body of the College as President of the Student Government Association for the year 1908-1909. Miss Thomson filled this post with faithfulness and vigor and although its duties are onerous, she carried them successfully throughout the year. The Presidency of the Student Government Association is the highest office that can be held by a student in the College and shows the appreciation of Miss Thomson's scholarship and character by the students and governing body of the College.
