Prof. Harold L. Scott
Robert College
Istanbul, Turkey

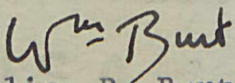

Dear Professor Scott:

It was pleasant to receive your letter of November 1st. My regret is that I do not have documents bearing on the Robert family or, in particular, relating to the founding of or association with Robert College. My childhood recollections consist of anecdotes associated with Pepridge Hall at Oakdale, Long Island, New York. The building was rather fabulous but has been torn down within the last few years.

Needless to say, I shall enjoy visiting you upon any return visit to Istanbul.

With kindest regards, I am

Cordially yours,

William R. Burt
