Dear Friends:

Welcome! All of us here are pleased that you have come, are hopeful that your trip, whether from Ankara, Istanbul or New York, has been a comfortable one and are delighted at the opportunity to meet and talk with you.

We are very much aware of the fact that the Trustees of the American Colleges in Istanbul are devoted and energetic servants of our cherished institution. We want to show you our work, discuss with you our plans and hopes, introduce you to our students and generally help you become better informed. We are honored to be your hosts and we want your stay to be both pleasant and fruitful.

On behalf of the Faculty and Staff, I bid you a warm welcome.

GENERAL NOTE

The "Schedule of Major Events," which follows, has been arranged in response to expressions of particular interest by a majority of the visiting Trustees as indicated on questionnaires distributed by Mrs. Bond and collected and sent to us here. These events will not fill up the full three days, Monday to Wednesday, May 16 - 18, nor is it our understanding that all visitors will want to attend all of them. To accommodate visitors who may prefer to move around individually, the Yüksek Division has prepared a Schedule of Staff Office Hours and a Class Schedule for these three days. Any visitor who wishes to attend a particular class or talk to a particular staff member is invited to make use of these schedules, without prior arrangement or appointment.

Please note that apart from formal Trustee meetings, wives and husbands of Trustees are cordially invited to attend or participate in any of the activities on either campus.

A special program for spouses of visiting Trustees has also been arranged. Details are given following the Schedule of Major Events.
